

WEEKLY PRAYER GUIDE

64th CHURCH ANNIVERSARY (27 June, today)

- * All glory to God for His grace and faithfulness for sustaining Zion Serangoon B-P Church since 1957.
- * May the Spirit continue to empower us to love as God's people in Zion Serangoon and to be salt and light to the people around us (John 15:12; Matthew 5:14-16).
- * Continue to cover the leaders and staff of Zion Serangoon in prayer as they lead and serve the Church out of the love and worship of our Triune God.

RECEPTION OF NEW MEMBERS

- * Thank God for these brethren received into our church as Communicant and Non-communicant members.
- * Pray for **Zheng Rong, Ngee Guan, Sophia Zhong, Dr & Mrs Lawrence Ng, Dr Tan En Ying and Max Neo**, that they continue to grow in the grace and wisdom and knowledge of our Lord Jesus Christ.
- * May they discover their gifts/talents and dedicate them for the glory of God. Pray that they will find the joy of the Lord in this spiritual home that God has put them.

RESUMPTION OF IN-PERSON SERVICES (4 July)

- * Thank God we are able to resume all 3 worship services in-person from 4 July. Pray that we will all take the opportunity to return to church and worship corporately as far as possible, and for God's protection and blessing as we worship Him.
- * Pray for those who have willingly volunteered to serve, that they may serve their fellow brothers and sisters with the joy of the Lord in the various areas of AV, singing, playing instruments, ushering, registration, worship leading, and coordinating so that we can carry out our services safely.

WEEKLY PRAYER GUIDE

PERSONAL NEEDS

- * **Mr Bay Kang Chwee (ZMS):** His second round of chemotherapy scheduled for 23 June was postponed due to presenting symptoms. God willing, it will begin this week. Pray for successful treatment, a heart of peace and readiness to surrender every anxiety to God. He is thankful for God's continual care through the doctors and nurses who attend to him in the hospital, and through ZS members who have encouraged him through their words, prayers and support.

- * **Mrs Helen Chan (ZES):** Thank God she was discharged from hospital on Thursday (24 June). She had the stent insertion for her bile duct but developed an infection after it. Thankfully, she has recovered. Before her discharge, CT scan showed fluid in her lungs and it is being monitored. She will have to do an X-ray of her lungs for her next appointment. Regrettably, her radiotherapy treatment has to be postponed until after her lungs are clear. Please continue to pray for the Lord's peace and healing upon her.
