## A PRAYER FOR SUNDAY SCHOOL and AWANA CLUBS

- \* May God help our children to grow in faith and trust in our Saviour and into maturity.
- \* May He grant them a longing to know their Saviour better by reading their Bibles, praying daily and attending Sunday School classes and AWANA Clubs meetings faithfully.
- \* In the midst of everything that is going on, may God help them to focus and to learn. Help them not to be anxious about their school work and examination, but rest, knowing that God's presence and help is with them always.
- \* May God guard our children's health, for their protection and the protection of those around them. We pray that God would make them resilient and persistent, more like Christ with every passing hardship, developing their character and leading them to hope in God alone.
- \* Regardless of the uncertainty, we pray that Sunday School and AWANA Clubs will forge ahead to continue to be a source of blessing to children and families in our church and beyond.
- \* We ask that God would provide more workers and grant all workers His grace of empowerment and much joy in service, to proclaim the glorious Gospel and to be a witness for Christ.

## **FOREIGN MISSIONS – Bhutan**

- \* The Kingdom of Bhutan is a tiny landlocked nation nestled within the folds of the Himalayas between India and China. Buddhism is practised by more than 85% of the population. The rest are Hindus and a small percentage are Christians.
- \* Thank God for a growing work of God among the Nepali people group in this country. Pray that God will raise up Christian leaders who will be able to make the most of the opportunities available to advance the Gospel. Pray also for the resources and personnel required to deliver good leadership training.
- \* Like most countries, Bhutan faces tremendous challenges due to the COVID-19 pandemic. Tourism is badly affected and have many lost their jobs and income. Pray for the authorities to be effective in containing the spread of virus and for travel restrictions to be lifted soon.

## **Our Missions Partner - Tharlam Church-Planting Ministry**

- \* This ministry is led by **Aaron Sewang**. He ministers in Thimpu, Wangdue, Began and Tsirang together with lay leaders. May the Lord grant him grace, spiritual wisdom, and guidance as he shepherds the 4 congregations.
- \* Pray for the training and equipping of the next generation of church leaders. May these continue to grow in spiritual understanding and maturity.
- \* Worship services for the last one year have to be conducted virtually. Pray for the spiritual well-being of the believers. Despite the lack of person-to-person contact, may they stay close to the Lord and stay connected to each other.
