WEEKLY PRAYER GUIDE

PERSONAL NEEDS

- * **Mr Bay Kang Chwee (ZMS):** Thank God for good medical care during the past weeks of hospitalisation. Pray for his third cycle of chemotherapy scheduled for 19 July to be smooth, successful, and with minimal side effects. Please pray for a heart to trust God for daily strength and endurance as treatment continues.
- * **Mr Wee Hian Chai (ZMS):** Praise God he was discharged this past Monday. He is now happy to be home. The Lord has been gracious to him and He answered the prayers of many on his behalf.
- * **Mrs Helen Chan (ZES):** Thank God for her tenacious faith and reliance on the Lord. Radiation treatment has resulted in many side-effects like nausea, fatigue, appetite loss, backache and occasional vomiting and diarrhoea. May the Lord be gracious to minimise these side effects. Pray that she will continue to experience the Lord's presence, comfort, and strength.
