## **Our Missions Partner - Gia Dinh Church, Ho Chi Minh City**

- \* Through a strategic partnership with Gia Dinh Church, our church supports financially the church-planting ministries at Nam Phuoc, Tan Phu, Phuoc Tan, Dai Tam, Tan Luoc and Tan Doc.
- \* Pray for pastors and evangelists in these mission posts to experience the Lord's grace and protection as they serve often under opposition and oppression from local authorities and non-believers. May the Lord grant wisdom and guidance as they minister in these uncertain and trying time, pointing believers and non-believers alike to find their security and hope in Jesus.

## **PERSONAL NEEDS**

- \* **Mr Bay Kang Chwee (ZMS):** Thank God for His sustenance as recovery at home and outpatient treatment continues. Please pray for minimal side effects from the 4th cycle of treatment and patience to wait on the Lord for full recovery and restoration. Praise God that persisting chronic symptoms enjoyed a lull for a few days. God willing, may His healing come in this aspect.
- \* **Mrs Helen Chan (ZES):** She has been enjoying her break from medical treatments. Thank God her appetite has improved slightly and she has better sleep and rest. Ask the Lord to minimise any side effects. Pray for wisdom and guidance for her physicians when she goes for medical review.
