SENIOR ADULT FELLOWSHIP IN-PERSON TALK

25 September, Saturday, 3.00pm @ Sanctuary 2

Thank God that SAF can still conduct an in-person talk for those who want to know more about Parkinson's Disease.

As we commit this talk to the Lord, let's pray that:

- * The speaker, **Brother Johnson See**, will share his powerful testimony on how God has given him the strength to overcome this disease and that he will be richly blessed by the Lord in his continuing journey with Him.
- * The Lord will use this talk to strengthen our faith in Him and especially in relying upon His grace and strength to overcome any obstacle in our lives.
- * All glory be to the Lord for all the marvelous works He has done in helping **Brother Johnson** and everyone of us overcome various obstacles in our lives as we continue to put our trust in Him.
