PERSONAL NEEDS

- * **Mrs Helen Chan (ZES):** She went for her doctor consultation on Thursday, 23 September. Thank God she has gained some weight but, regrettable, she registered a slightly lower BP and her cancer marker has risen. Another cycle of chemotherapy was administered Friday, 25 September through infusion and oral tablets. Pray for a good response to treatment, minimal side effects and good appetite. Also pray that she will receive God's comfort and strength as she spends time with the Lord in her daily devotions.
- * **Mr Bay Kang Chwee (ZMS):** Pray for his body to be in good condition for the 6th chemotherapy session on 1 October. Continue to pray for full recovery from his persistent chronic symptoms, and a heart of perseverance and hope.
- * **Mr & Mrs Ng Peng Hock (ZMS):** Praise the Lord, **Lay See** has been discharged from NCID last Tuesday and recuperating very well. Thank the Lord that **Peng Hock** is responding well to the prescribed medication. Pray that there will be no complication and he will recover fully and completely in due course.
- * Remember **Joseph Ng** in prayer (son of **Philip and Nancy Ng - ZMS**): Please continue to uphold **Joseph** in prayer. His first chemotherapy cycle started on 16 September and will last six weeks. Pray that his experience of persistent fever of 38 degree in the evening will go away. Thank God his blood test has not revealed any infection and also his nausea has lessened. Pray that he will have good appetite and that the next few weeks of chemo treatment will be smooth and effective. Pray that a good match for bone marrow transplant will be made available in due time. May the word of Psalm 18:2 be **Joseph's** assurance, "that the Lord is his rock, fortress, deliverer, refuge, shield and stronghold."

“INSIDE THE HOUSE OF SOLOMON”

1 Kings 7:1-12

1. Introduction

2. The House of Solomon

a. A Place of Riches

i. Putting God first

ii. Giving glory to God

b. A Place of Justice

3. Conclusion – Jesus, the Master Builder

Summary – As we take a look at the House of Solomon, we are drawn to several important truths: we are to always put God first and we are to do all things for God’s glory. Ultimately, we see Solomon as a type pointing to Jesus, who Himself will execute perfect justice in His perfect wisdom.

MENTAL HEALTH MONTH SHARING BY DNESS APRIL

Recent events have thrown mental health into the spotlight – whether it's the pandemic and what it's been doing to the mental health of many, the prominent cases that have surfaced in the media, or the sudden increase in articles online on mental health and mental wellness. As a church, we admit that we have not been well-equipped or well-informed in this area, don't really talk about it, and may even struggle to understand our own mental health struggles in daily life!

As it is World Mental Health Day on 10 October, Zion Serangoon will be having a very special Mental Health Month programme over 2 Sundays in October. We hope that we can all take this opportunity to grow together as a church in understanding and engaging with mental health issues, breaking the stigma that is attached to talking about mental health across all generations. We are also looking forward to coming together physically for some of the programmes after the many many online Zoom meetings!

So, what is mental health and how does it apply to you? If you were to identify some pressing symptoms in yourself or in those around you, what can you do? Also, how do we respond to trauma and various mental health conditions in ourselves and others? How do we view mental health according to the Bible? And are there real people who have struggled with their mental health that we can learn from?

We are so excited to hear from the various speakers – some from within our congregation, and some from organizations dealing with mental wellness. We'll even be hearing some personal stories from our members about their struggles with mental health, as we come together in prayer for the church. We pray that God will use each one of these speakers and testimonies for our growth and for His glory.

So join us in October for Mental Health Month as we seek to engage and grow together as a church in receiving and sharing God's grace and love, weeping with those who weep, struggling with those who struggle, and rejoicing with those who rejoice! 😊
