

WEEKLY PRAYER GUIDE

65th Annual Congregational Meeting (ACM)

- » Pray for a **good time of sharing and celebrating God's goodness** to Zion Serangoon over the past year.
- » Also, let us pray for God to **unite and touch our hearts** as we look forward to how He will use the various ministries to grow us as a church in 2022.
- » Pray for **God's strength** on the Session and Church Office as they carry out all the preparations for the ACM that will be held both in-person and over Zoom on 24 April 2022.

Foreign Missions Cambodia

- » Cambodia is one of poorer nations of world where the devastating effects of Khmer Rouge regime (1974-79) are still being felt today. Despite much redevelopment in the last 30 years, the general population, particularly in the poorer countryside, suffers from **inadequate education, healthcare and basic infrastructure**.
- » The Church has grown significantly since the 1990s. Current estimates there are **more than 250,000 believers in over 2,700 churches**. Pray for impactful ongoing evangelism accompanied by effective discipleship and leadership training.

Rebecca Lee our missionary seconded to OMF Cambodia

- » She is very thankful for a short visit home (9 - 21 Mar) to be with family, especially her younger sister. Pray for her family to stay united and strong in the Lord even as they live in 3 countries.

(cont.)

WEEKLY PRAYER GUIDE

- » She requests prayer for **clarity and guidance** (destination not yet confirmed) as she moves to live in the provinces. With the handover of language facilitation to Yeojoo and the completion of the language curriculum, she need not be based in Phnom Penh. This new location will possibly be a place where she can actively support Cambodian Christians as they bring the gospel to their own people, as well as be a time when she can do some writing.
- » Ask the Lord to grant her **wisdom and patience to work together with the rest of the Board of SONOKO** (university students outreach) as we move towards independence i.e no longer under the umbrella of OMF. This is an important step for full ownership by the Cambodians that they are the ones in the lead to reach university students. But there are many obstacles partly brought about by COVID and also the usual challenges of reaching students who never stay long in one place. Pray that the Cambodian Christian students will love their fellow students as much as the Lord Himself.

Phnom Penh Bible School Phnom Penh

- » Pray for **Sokheang** as she serves as a coordinator of the Library and Literature Department as well as part-time lecturer.
- » Uphold **Vanna** who is completing her final semester of studies in Master of Divinity at Singapore Bible College. God willing, she graduates in May. May the Lord grant her wisdom and diligence in her studies and keep her in good health.

Shalom Missions Cambodia

- » Ask the Lord to guide and help **Pastor Chhinho** who has started the Shalom Dream Center situated in Mondulkiri which is about 7 hours drive from Phnom Penh.

(cont.)

WEEKLY PRAYER GUIDE

- » The Center is completed and it houses a Bible school and a school for children.
- » Thank God for opportunities to share the Gospel of God's love and hope to the people in this remote village. May He lead to Himself those who need to be saved.

- » Remember **Pastor Yap** as he leaves on 7 April to visit our missions partners in Phnom Penh. Pray for fruitful meetings and for safety. He returns on 10 April.

WEEKLY PRAYER GUIDE

Personal Needs

Joseph Ng

He is currently battling a chest infection that is making him very weak. Pray that he can pull through this fever and infection and continue fighting on for the transplant.
