

WEEKLY PRAYER GUIDE

Foreign Missions - Philippines

- » **Presidential Election on 9 May 2022** - Pray for those who seek the office to be a servant-leader who will put the greater good of the population, especially the poor, the marginalised and the vulnerable, above any personal interests. Pray for the person who seek the office to genuinely “**serve and not to be served**” and be a person of integrity and compassion.
- » **The major export of the Philippines is people.** Filipinos are hardworking, and many are highly skilled but too few opportunities exist at home. More than 8 million live abroad. Many work as nurses, engineers, domestic servants, menial workers and seaman (the 245,000 Filipino seaman are the largest group from any nation). Pray that Christians from the Philippines may be lights to the whole world.
