

WEEKLY PRAYER GUIDE

“Outreach” Focus Area:

- » May we continue to be steadfast and eager in outreaching to others, both through the ministries in church as well as in our own personal lives.
- » Pray for wisdom from God to know how to outreach in a way that is loving to others, including our godly testimony for the LORD.
- » Let us spur and encourage each other to continue carrying out God’s mission in the corner of the earth He has placed each of us in.

“Prayer” Focus Area:

- » Praise the LORD that our Prayer Fellowship (PF) continues to be active and fervent in prayer. This highlights the important of personal and corporate prayer for the Church.
- » Thank God that our church leaders (i.e. Pastors, Elders, Deacons/Deaconesses) are taking turn to lead in the PF.
- » We are thankful for the weekly church broadcast that allows members to join our PF over zoom for a time of sweet fellowship with God and one another through prayer.
