CHURCH NEWS AND ACTIVITIES

Register for Sunday Worship Livestream

From 31 July, the Livestream link will only be made available upon request (one-time).

We thank God for allowing us to worship together during the pandemic on Youtube livestream. We remember and thank all who serve tirelessly behind the scenes to ensure our livestreams run smoothly week after week.

In-person worship has resumed for all 3 services weekly and we would like to encourage everyone to come back to worship together where possible. This is so that we may extend God's love and care in a more meaningful and tangible way to each person here at Zion Serangoon.

However, we understand that some of us may still need to worship through our livestream channel. As a way to facilitate this, our Sunday livestream will continue to run weekly, however the link will only be made available upon request.

You may register (one-time) via the form below for the livestream link. A new link will be sent directly to you weekly. Thank you!
