YOUTH SHARING - MIGRANT WORKERS VISITS

Titus Soh

“ Our theme for Youth Fellowship (YF) this year is loving beyond boundaries. Loving beyond the physical and social boundaries that we usually see for ourselves. Since last year, we **visited the nearby migrant workers** building the Tavistock station. We usually visit them once a month, packing snacks, packet drinks as well as unique and different gifts for them, like hand towels and socks, and bringing it to the site to deliver it to them. At the site, we usually ask them about their lives, and find out their different roles and responsibilities that they have and in turn we would also share about our lives. **The workers are always delighted to see us, and would always look forward to the next time that we would come back!** We hope that our visits have demonstrated Christ-like love towards them!

Laraine Lim

“ The monthly migrant worker’s outreach was something new and unique to YF since the end of 2020. This programme **never failed to remind me to be grateful for the migrant workers who helped built up our nation.** The conversations we exchanged and the memories forged will stay with me even as they leave for another construction site. We’ll continue to keep them in our prayers and visit them whenever possible.”
