WEEKLY PRAYER GUIDE

Praying for Fellow Bible-Presbyterian Church in Singapore (BPCIS) Churches: Mt Horeb B-P Church

- » In their recent AGM there was a clear sense for them, as a church family, to have a spiritual heart change. Pray that God would speak to each of them, motivate them, and convict them where necessary to change.
- » Please pray for changes in their small groups, that each group would be a group where spiritual growth is encouraged. Please pray for sufficient leaders so that each group is cared for well.

PASAR SERANGOON: An Outreach to the Seniors (3 June, 5.30pm)

- » Thank God for this nostalgic 'pasar malam' event to reach out to the seniors in our surrounding neighbourhoods and friends of members.
- » Continue to pray for the committee (Ps Wendell Chua, Dns April Ding, Dns Joella Tan, Chen Jinling, Nicolette Yu, Victor Seah and ATP Joseph Tee) as they plan the publicity, logistics, food, programme and oversee the event.
- » Please keep Ps Eric Kwan in prayer as he prepares to share the Gospel at this event.
- » Pray that each one of us will invite and bring at least one non-Christian senior that we know to hear the Gospel.

CHURCH NEWS AND ACTIVITIES

Book Circle

God speaks to us through different people and different people of God speak to us through different means. Some preach, some sing, some evangelize and some men and women of God, WRITE. The Book Circle has books written by different godly men and women. This week, we would like to feature some books from **Warren W Wiersbe's "Be...Series"**, which is a collection of books that features all the Old and New Testament commentaries that allow any reader to understand the biblical text in new ways. The "Be" Series is the culmination of Warren Wiersbe's life work and is respected by many as an easy-to-read, stimulating approach to Bible study. The Book Circle has the following of his books: ***"Be Basic, Be Matured, Be Authentic, Be Obedient, Be Committed"***

In his book ***"Be Basic"***, Dr Wiersbe takes an insightful look at the fundamentals of a life well lived. He goes to the book of Genesis, the beginning of God's Word, and shares life-changing truths about relationships, faith, sin, and spiritual fulfillment. Because in life, the key to a happy ending is found in the beginning. "To know Genesis is to know the fundamental truths; the basics – about God, the world, yourselves and other people, laws, sin, salvation, marriage, faith, and spiritual fulfillment." In another of his book ***"Be Authentic"***, he shares the vital need for authenticity in an artificial world. Today's culture needs genuine, transparent people of God. He points us back to Genesis, through the lives of Isaac, Jacob, and Joseph who were not perfect but authentic in their relationships to themselves, their peers, and their God. Through this commentary, he helps us to pursue authentic relationships with God and others and live out our faith in an irresistible and compelling way.

Dr Warren Wiersbe was an American clergyman, Bible teacher, and prolific writer of Christian literature and theological works. He is quoted saying, "God doesn't bless us just to make us happy; He blesses us to make us a blessing". When you focus on being a blessing, God makes sure that you are always blessed in abundance. May God help us to be inspired to be a blessing to those in our midst!

Visit the Book Circle anytime

The books are available on the bookshelves in the Fellowship Hall for you to browse, pick up, read, and pass it on.

*For those who want to donate your books to the Book Circle, you may contact: **Bee Hong @ 9171 1009 or Pek Hong @ 9818 8220**. Alternatively, you can leave them in the shelves marked for "Donated Books."*
