# WEEKLY PRAYER GUIDE

---

## The World: Myanmar

*Historic heatwave hits south-east Asia and it's reported that the temperature in Chauk township of Magway division on April 7th was 47.4 degrees Celsius breaking the historical heat record of Myanmar. The heat triggers fainting, fever, and fatal strokes resulting in sudden deaths, especially of elderly people. Currently, the nation is not in its best position to respond to the boiling heat in terms of social infrastructure amidst the social unsettlements.*

- » Pray that God will lay his hands over Myanmar to cover the people from this intense heat and the worries and fears they are carrying with them which feel like heat!
- » Pray for our Myanmarese Fellowship as they meet monthly for bible study and fellowship.
- » Pray for this community to find a home away from home with fellow believers.

## 67th Annual Congregational Meeting (ACM), 21 April, 11am

- » Pray for a edifying meeting as the congregation meets for the matters of the church and ministry
- » Pray that all the administrative requirements can be completed smoothly.
- » Pray for the Holy Spirit to open our spiritual eyes to what the LORD has been doing, and will be doing in the coming years.
