WEEKLY PRAYER GUIDE

Prayer for the World: Algeria (Adapted from <https://lausanne.org/pray>)

This North African Muslim-majority country of 41 million people depends on fossil fuels for its export income. It struggles to provide jobs and homes for its people. Democracy and human rights exist on paper, less so in reality.

A movement to Christ is happening in Algeria. Most new believers come from a Kabyle Berber (non-Arab) background, but faith is growing among Arabs and most other people groups as well. New fellowships have begun throughout Algeria, partly because Berbers have moved into Arab areas to share the good news. Persecution is a fact of life. One Christian woman wrote: 'Women who convert to Jesus Christ face new challenges, which sometimes cost them dearly... They face rejection by their families. Others are repudiated by their husbands because of their faith. They can even be deprived of their children.'

- » Pray for new hope for Algeria's youthful urban population and its rural poor.
- » Pray for the protection and growth of Algeria's remarkable Church, growing among people of Muslim heritage.

Tavistock Ready (TSR) Prayer

- » Please continue to pray for a smooth completion for the furnishing of the deck and the church office.
- » Continue to pray for the spiritual health of our church as we continue to ask the Holy Spirit to work in us through the word of God, prayer, and the sacraments (WLC 153, WSC 85)

Prayer for One Another: Lim Wan Jee

- » Please continue to pray for sister Wan Jee that she remains well enough to undergo the ablation procedure (under GA) tomorrow (10 Feb) as the tumour is very close to her spinal cord.
- » Pray that the procedure will be safe and successful and can deal with that problematic tumour. Her MRI shows that the tumours have grown. For the clinical trial, her system needs to be well enough.
- » Pray for continued spiritual strength and trust in the Lord, and for healing under God's sovereign plan
- » Pray for joy & peace in present suffering and come what may.
