#### 1. Ruth's Covenant Commitment

#### 2. God's Covenant Love

#### 3. Mother's Covenant Love

### Implications for us today

### Conclusion

---

### Reflections...

*What covenant commitments have I made in my life, and how can I honor them? How can I experience and reflect God's unconditional love in my life? What does the mother's covenant love mean to mean, and how can I demonstrate it in my relationships?*

# WEEKLY PRAYER GUIDE

---

## Praying for Our Vision: “Every Gardener a Missionary”

- » Take a moment to consider the power of the Gospel that has rescued you from the chain of sin and death through Jesus.
- » Ask the LORD to place this desire and love to share this Good News to those we meet, wherever He has placed us!
- » Ask the Spirit to help you love Jesus everyday as you reflect on His love for you.

## Praying for the World: Media and Mission

*As of 2018, there are more than 5 billion mobile phone users and over 4 billion who use the internet. Human ingenuity then spreads data further than the internet reaches; desert nomads can watch videos pre-loaded onto their mobile phones, for example. This revolution in communications is a massive boost to the spread of ideas generally, and increasingly to the spread of the gospel.*

*Communication and networking tools are being used in astonishing ways. For example: One observer reports that thanks to messaging apps ‘untold numbers of groups are emerging daily that encourage one another in the Word even in places where the gospel cannot legally go. The Persian church is exploding within the borders of Iran thanks in part to Virtual Private Networks (VPNs) intended to shield online activity from prying government eyes. (Adapted from <https://lausanne.org/pray>)*

- » Pray for creativity and wisdom to make the most of every mission opportunity that technology offers us today.
- » Pray for the Holy Spirit’s power to work in and through every communication method.
- » Pray for integrity in communication. Now more than ever, all of us need to be measured and gracious in what we say; our words can travel anywhere, and the internet never forgets.
- » Pray for curious and open minds; the internet can close minds by encouraging like-minded people simply to echo each other
- » Pray for radical encounters with God beyond the buzz and surface noise of interactive media.

## Blessed Mother's Day!

- » We rejoice and give thanks for the mothers, grandmothers and great grandmothers in our midst!
- » At the same time, we also lament, weep and mourn over infertility, miscarriages, abortions, wayward children, and other consequences of living in this fallen world.
- » Lastly, we thank God for our spiritual mothers, who might not have their own children, but have still blessed many spiritual children in Zion Serangoon.
