SERMON NOTES

In Christ Alone

Luke 19:45-48

While the World celebrates Halloween on 31st Oct, Christians remember something far more meaningful - The Reformation.

What does the reformation mean for the church today?
We reflect on four key implications:

1. Reformation must be ongoing
2. We must return to the importance of reading scripture
3. The freedom of gospel by faith must also continue
4. Salvation

The reformation was never about Martin Luther. It was about returning to Christ alone. And that call has not changed. So let us keep reforming. Let us return to scripture. Let us rejoice in the freedom of the gospel. And let us proclaim salvation in Christ alone.
