ZS70 FUNDRAISING

By Elder Timothy Soh

Dear Gardeners,

In 2027, Zion Serangoon Bible-Presbyterian Church will celebrate 70 years of God's faithfulness.

In the last 70 years, God has sustained this church through its formative years, generations, and various national and ecclesiastical challenges and circumstances. Many of us have heard and received the Gospel, grown in faith, served, worshipped and experienced Christian fellowship here because God enabled those before us to faithfully give of their time, prayers and resources.

As we look forward to ZS70, we want to do two things: give thanks for God's faithfulness and also contribute our resources to take responsible care of what He has entrusted to us.

In this spirit, Exodus 36:3-7 provides an account where the people of Israel learnt about the needs and kept bringing free-will offerings every morning for the construction of the sacred Tabernacle for the worship of God. The craftsmen working on the sanctuary came to Moses and said, *"The people are bringing more than enough for doing the work the Lord commanded to be done"*. So Moses issued a decree across the entire camp: *"No man or woman should prepare any more gifts for the sanctuary"*. Only then did the people stop giving, because there was already more than enough to complete all the work. This is a deeply heartwarming account in Scripture of sacrificial and loving giving to the work of the Lord.

Anchored in this spirit of giving, from October 2026, we will begin two separate giving initiatives.

ZS70 FUNDRAISING

1. ZS70 Fund — Celebration and Restoration

Our ZS70 Fund has a target of **\$550,000** and will run from October 2026 to June 2027.

This fund covers two areas:

Celebrating 70 years — \$250,000

This includes our Gospel-centred 2-day Musical Outreach, curating and constructing the Heritage Exhibition, hosting our overseas mission partners, Covenant Family Conference and Walkathon, and the Church Anniversary Service and Dinner on 27 June 2027.

As we celebrate, let's not forget the evangelistic and outreach goals of each event. God-willing, ZS70 will be a year where we will have no lack of Gospel opportunities to invite our non-Christian friends, family, and colleagues to know Christ

Repair & Redecoration (R&R) of our church premises — \$300,000

Our church building requires R&R works, which include repainting, waterproofing, repairs and addressing active building leaks so that we can continue to care responsibly for the premises entrusted to us, and ensure that these essential repair and refreshing works can be completed in good time for our celebrations.

Please note that the ZS70 Fund is a designated fund rather than a restricted fund; contributions will be deposited into the General Missions Fund and tracked separately, allowing the church the flexibility to redeploy the funds should needs change.

As a short-term campaign specifically connected with our 70th Anniversary, we encourage everyone to prayerfully consider supporting this effort.

ZS70 FUNDRAISING

2. Sustain & Safety Net

While the ZS70 Fund is a short-term project, this second initiative serves a different purpose.

Regular ministries and operations require us to maintain financial stability as a basic foundation. To meet this ongoing need, we also want to rebuild our cash reserves so that the church has a responsible 6-month operating safety net—a healthy, responsible buffer that businesses and homes alike build.

We are therefore working towards a longer-term weekly financial provision of approximately **\$43,714**, comprising our normal weekly operating needs together with a small additional provision towards rebuilding our reserves. For guidance against this target, our current weekly giving ranges from \$29,000 to \$33,000.

As we prayerfully consider bridging this gap, we encourage members to remember the Old Testament guidelines in Leviticus 27 and Numbers 18 and New Testament teachings in 1 Corinthians 9:7 which call us to the principle of responsible and faithful tithing for the support of God's house and ministry.

This initiative will run until December 2028.

Unlike the ZS70 Fund, this is not an anniversary project. Rather, it is about sustaining the ongoing ministry of the church and strengthening our financial resilience for the years ahead. We are not called to build excessively large reserves, but simply to maintain a wise and responsible 6-month buffer to steward God's house well.

ZS70 FUNDRAISING

How can I participate?

We encourage every member to prayerfully consider how you can participate. There is no prescribed amount and no comparison between one member and another. Some may be able to give a one-off gift. Others may prefer to give regularly. Some may be able to give more; others may only be able to give a little. What matters is that we give **willingly, prayerfully and gratefully**, according to what God has entrusted to us (1 Cor 9:7).

As we celebrate 70 years, may we remember that we are not simply raising money for an anniversary. We are giving thanks for what God has done, taking care of what He has entrusted to us, and responsibly preparing for the next generation, those who come after us.

Thank you for praying, giving and serving together as one church family.

Yours in Christ,

Elder Timothy Soh
